

THE BIG FREEZE

Spring 1 Homework

Below are some suggestions for your homework project. Please choose one to complete, although you are welcome to choose more than one if you wish. Projects are to be returned to school by Friday 6th February, at the latest, so we can share them as a class. If it is easier, projects can be photographed and emailed to infant2@gunthorpe.notts.sch.uk. Many thanks for your continued support.

Draw and label an outfit that would be suitable for someone living in the Arctic. Think about the weather in the Arctic and what the person would need to stay warm and dry.	Use an atlas to locate countries in the Northern and Southern hemisphere. Put the countries into two lists – Y2 challenge – can you list them alphabetically?	Write a short recount of Christmas day. Remember to use past tense, write in first person and retell the events in order. E.g. I woke up really early and ran down stairs. Santa had been and I was so excited!
Create an arctic animal fact file. With an adult you could explore: https://www.dkfindout.com/uk/animals-and-nature/habitats-and-ecosystems/arctic/ or see if your local library has a book you could borrow.	Write a book review about a book you have recently read. What was the story about? Did you enjoy it? Would you recommend it to a friend?	Design a poster with the 2,5 or 10 times tables for our class maths board. Make it bright and colourful!
